Incident Report

Case # 02-16-002077

Cpl. Martinez stated upon removing Robin from the cell he located two items wrapped in clear plastic wrap in the male's breast pocket. Robin also admitted to having an additional item in the seam of his underwear near the crouch area. Cpl. Martinez stated Robin was then placed into a segregation area.

Cpl. Martinez explained once he opened the items he located the following content (a single baggie containing two separate baggies of a white crystal like substance believed to be Methamphetamine, three separate baggies containing 76 + orange strips believed to be Suboxone split between the three baggies, and a bag containing tobacco. Lapel footage will also be submitted into evidence.

Cpl. Martinez provided me with the narcotics which will be sent to the New Mexico Crime Lab for further analysis. Cpl. Martinez also provided a handwritten statement, audio CD from the phone conversations as well as photographs of the items in question, all of which were submitted into evidence.

I reviewed the audio file in which Robin contacts an unknown male who tells him he was going to take care of him this time and "get him 5" unknown what. Robin and the male have a brief conversation about a movie and then the male provides Robin with a number (505-395-8516) in which Robin needed to call 20 minutes after they spoke. The male tells Robin to call the number and "give the stuff to the old man".

Robin places several more phone calls in which he speaks to the same male and tells him the Corrections Officers almost got him but he hid it in the cart. Robin also states he still has some "stuff" with him. The male seemed very agitated with Robin when he advises him of this information. The male has not yet been identified at this time.

I made contact with Robin Wood, prior to any questioning I advised Robin of his Miranda Rights as per Miranda v. Arizona to which Robin stated he understood. Robin advised he did not want to speak to me in regards to the incident at this time. No questions were asked of Robin.

Robin was booked without incident and charged accordingly.

No further action was taken at this time if additional information is obtained a supplemental will follow.
